The fine print, in plain English

- ✓ Reservations should be made in advance to ensure availability.
- ✓ Rental rates are based on one day or weekend use. Equipment can be picked up the business day nearest your event date and returned the next business day.
- ✓ A 50% non-refundable deposit reserves your order.
- ✓ A damage waiver of 10% of the rental subtotal is added to every order. It is figured on the rental items only — not on delivery, setup, or tax — and appears as its own line on your quote and your invoice.
- ✓ Changes or cancellations must be made at least one week before your scheduled pickup or delivery date. After that, the full order is charged.
- ✓ No credit is issued for items returned unused, and no credit is issued unless problems are reported immediately — contact us right away if anything is wrong with your order.
- ✓ A late fee applies to equipment returned after the contract dates.

- Rinse dishes, tableware, and glassware free of food and return them in their crates. Excessively dirty returns can carry a cleaning charge of up to 100% of the rental rate; special arrangements are available if you can't rinse before return.
- For delivery pickups, have all equipment ready when we arrive — tables and chairs folded and left under cover, dishes rinsed and crated.
- Standard delivery is to a first-floor, easily accessible spot with no stairs, within 50 feet of the delivery vehicle. Standard delivery hours are Monday through Friday 9am–4pm and Saturday 9am–noon; non-standard hours are routinely available for an additional fee.
- Lost or damaged equipment carries replacement or repair charges. Count and check your order on receipt — if no representative is available, the invoice or contract count stands.
- Setup and breakdown of equipment — tables, chairs, tablecloths, chair covers, and more — is available for an additional fee. Ask our staff for rates.
- Dance floor pricing is by quote — call (901) 309-9664.
